### Overview

**Pipp Mobile Storage System's mission** is to design space-saving systems that are responsive to customer-specific storage needs; to manufacture our systems to the highest quality standards; and to provide a level of sales and service support that is unsurpassed in the storage products industry. Our extensive product line allows us to tailor our systems for many different storage situations and we have the manufacturing capacity to handle high volume requirements. Our sole focus continues to be on developing ways to help our customers use their storage space wisely.

### Concept

**Create more space** by compacting storage and eliminating fixed aisles. This, in turn, creates a single aisle system that increases storage capacity by as much as 80% (over traditional configuration).
